Quality Management

NSS Data Assurance Policy

NSS places a high level of importance in protecting the data of the company and its customers as well as ensuring the quality of service it provides, according to the standards of ISO 27001:2013 and ISO 9001:2015 respectively.

NSS Quality Objectives

- Absolute specialization in the fields of its business activity.
- Continuous qualitative and quantitative improvement of the quality of products and services.
- Modern and responsible treatment of all customers needs.
